1. License & Payment

In consideration of a **Pay What You Want** payment of at least **\$10 USD**, Licensor grants Licensee a **non-exclusive, worldwide license** to synchronize and use the Licensed Work in Licensee's audiovisual, digital, creative, or media project.

The Licensee may use the Licensed Work in the completed project across **film, television, games, YouTube, social media, streaming platforms, podcasts, advertising, promotional content, independent media, and other audiovisual or digital productions.**

The Licensee may publicly display, distribute, stream, monetize, advertise, and promote the completed project containing the Licensed Work.

2. Non-Exclusive Rights

This license is **non-exclusive**. Licensor retains the unrestricted right to use, distribute, perform, reproduce, sell, license, synchronize, and otherwise exploit the Licensed Work and to grant the same or similar rights to other parties.

No exclusivity is created by the amount paid.

3. Ownership

All copyright and ownership rights in the Licensed Work remain with Licensor and/or the applicable rights holders.

This Agreement does not transfer ownership of the master recording, musical composition, publishing rights, or copyright to Licensee.

4. Restrictions

Licensee may not:

- claim ownership of the Licensed Work;
- register the Licensed Work as Licensee's own composition or master recording;
- sell or distribute the Licensed Work as a standalone audio product;
- sublicense the Licensed Work independently of the licensed project; or
- grant any third party rights exceeding those granted by this Agreement.

Licensee may edit, trim, loop, fade, synchronize, or otherwise adapt the Licensed Work as reasonably necessary for incorporation into the approved project, provided that such modification does not constitute a claim of ownership of the underlying work.

5. Open Art Economy

This Agreement operates under the **XNIGHTSTARR.FM Open Art Economy:** at Xnightstarr.com

Art is abundant. Value is created through circulation.

The Licensee chooses the payment amount based on their project, budget, and value received. **\$10 USD is the minimum payment.** Payment amount does not change ownership or automatically create exclusive rights.

6. Acceptance

By submitting payment for the Licensed Work and accepting this Agreement, Licensee acknowledges and agrees to the terms above.
